

DISASTER RESPONSE SOLUTIONS, INC.

SCHOOL EMERGENCY RESPONSE SYSTEM

Be Prepared For School Emergencies!

This crucial system allows school personnel to quickly obtain critical information for incoming emergency services personnel.

Features:

- Seven heavy-duty vinyl mesh color-coded personnel ID vests screen-printed with command position titles (School Administration, School Transportation, Student/Staff Attendance, Parent Liaison, Building Maintenance, School Resource Officer and School Media Liaison)
- School Emergency Command Sheets (25 per pad) which includes operations reminders for critical information about the event such as names of key school command and contact personnel, attendance information (including number of students, staff accounted for/missing), and building information."
- Job Action Sheets
- Clipboard and pen
- User's manual/instruction guide
- Heavy-duty nylon denier carrying case includes pockets for ID vests, command sheets, clipboards, emergency plans, attendance records, basic first-aid supplies, pens/markers, references and more.

\$259.00 Each
